Accessorial Charges and Rules

ITEM 100

This Tariff contains Exceptional Cost Service fees for Non-Direct points. All Rules of the AACT 190 Tariff will apply in conjunction with this Tariff.

End Item 100

Application of charges

ITEM 200

Charges shown in this Tariff will be added charges in addition to applicable freight charges. Where origin zip range and destination zip range appear in this tariff, all zips between the origin and destination zip range will be susceptible to the fee shown.

Carriers identified in this tariff may or may not be the ultimate originating or delivering carrier.

For Charge Types listed in the tables below the reference of application is as follows:

F = Flat Charge

C = Per Hundred Weight Charge

End Item 200
